

QUESTIONNAIRE FOR FUTURE PROGRAMS

To help in planning programs for our meetings, we need YOUR input. Whether you're a beginner (even with no bees) or a very seasoned master beekeeper with years of experience in every aspect of beekeeping, we still need YOUR input. As an old saying goes....you can never learn all there is about bees.

Your input is valuable. Please take a few moments of your time and fill in as much of this form as you can (or will) and return back to me or one of the other officers or leaders of the associaiton.

Thank you very, very much for your input.
